

## **VRAJ COMMUNITY SERVICES**

YOUR CONTRIBUTION CAN SAVE SOMEONE'S LIFE  
IT IS A HUMANITARIAN CRISIS OF A CATASTROPHIC SCALE IN INDIA.

As a responsible Human beings, we want to ensure that we help those in India by providing required equipment at the earliest to save lives. The equipment is distributed across India.

### FREQUENTLY ASKED QUESTIONS

1) Who will buy the Oxygen Concentrators Machines and other goods and where will they be distributed?

The Vraj Community will buy required goods from trusted sources. They will deliver to Mumbai, (Government of INDIA) and distribute further in Hospitals across India as per the NEED. We will further upscale and reach out to other states with help of **RED CROSS INDIA**. Humanitarian aid has no Boundaries. We aim to deliver around 1000 machines by the end of next week subject to availability.

2) Are we doing due diligence while purchasing?

Yes, we have set up a technical specification committee looking into it and checking the right specification including 50hz/ 3 pin connector / 1phase / 220V. We have kept all our options open considering time constraint and will order from trusted reliable sources. We have also been discussing with vendors in Taiwan, South Korea, Europe. We will further negotiate with vendors for humanitarian ground and using all resources to bring cost down without compromising quality of products.

3) What is the proof that they will be distributed to the needy people?

They will be distributed by **RED CROSS INDIA** under the observation of Government of INDIA as per demand of individual states.

4) What would be the cost of Oxygen Concentrator machines and how much would I need to pay for the machine?

The cost of the machine would be approximately \$320 each. you can pay per machine. In case, if you are unable to pay full amount, you can also pay partial amount as per your wish
